

Response to reviewer-1

MADISON COUNTY JAIL.

50 (**23%**) more inmates showed psychiatric symptoms.

The only way an inmate gets screened is if either if a note [**psychiatric note**] is made in the police report,

Response to reviewer-2

Madison” has been added to the title.

Inclusion and exclusion criteria were clarified.

Two theoretical frameworks were mentioned in the discussion section as it sounds more appropriate in terms of the overall flow.

Some of the 2021 to 2023 works have been added to both introduction, discussion, and conclusion.
