

Dear Reviewers, Thank you for your letter and for the reviewers' feedback on my manuscript **“Challenges and Triumphs of Black Men in Higher Education”**.

Their comments are highly valuable and immensely beneficial for revising and enhancing the paper. They also provide significant guidance for our ongoing research. We have carefully reviewed each comment again and have made the careful corrections of the manuscript and images point-by-point. We tried our best to improve the manuscript and made some changes marked in red in the revised paper, which will not influence the content or framework of the paper. We appreciate the warm work of the Reviewers and sincerely hope that the correction is accepted.
