

Reviewer comment

Overall, I think this is an excellent manuscript but it could benefit from some additional citations. See the comments the manuscript.

Can you add additional source? I agree with your statement. Given it's sweeping nature it would be nice to provide an additional source or 2.

Needs to identify the source.

Word change "around" to "approximately"

Word change "They" to "The authors."

This paragraph seems out of place. Perhaps a transition statement introducing this information would help the reader better grasp the connection the preceding paragraph.

You might consider being consistent in your use of "homosexual" and "gay."

Capitalize significant words for consistency with other headers.

Check indentation for your paragraphs for consistency.
