

Thank you for your in-depth review of our article and your valuable feedback.

Agree with the reviewers comments and updated the title of the article to: "Examining Urban Trauma: Trends, Outcomes, and Research Methods in the Literature"

I updated the abstract section to answer the questions from the reviewer. I also included an update keyword section.

I provided a definition of "urban trauma" in the introduction section.

I provided a definition with citations for "chronic trauma"

I added a discussion on intersectionality in the section on socioeconomic disparity.

I added a discussion on intersectionality in the section on socioeconomic disparity.
