

Reviewer Response Report

Dear Reviewer,

Thank you for your insightful and thorough review of my manuscript, "*Integrating Assignments into Occupational Therapy Education: Linking Experiential Learning and Technology Application.*" Below is a summary of the revisions made in response to the reviewers' comments:

- **Reviewer #1:** The title was revised based on the suggested edit; the abstract was refined in accordance with the recommendation; and the Review of Literature section was separated from the Introduction to improve clarity and organization.
- **Reviewer #2:** Concise language was applied throughout the Discussion section, and the manuscript was reformatted to enhance overall organization and readability.

I genuinely appreciate the collegial nature of your comments and helpful suggestions to further strengthen my manuscript submission.

Sincerely,

The Author
